

Forester

About SWS Forestry:

SWS Forestry Services evolved from the South Western co-operative society which started out as an agricultural services company and was set up in 1957. The company evolved and developed over time and in 1986 SWS Forestry Services was set up. We have strong links and history with the agricultural community having emerged from the agricultural services company and we are now one of the leading forestry services companies in Ireland.

We require a **forester in the West/Northwest region** to both maintain and develop our business in the region. It is envisaged that the successful candidate will be based in Roscommon but this is flexible to suit the right candidate.

Requirements

- A forestry qualification (level 7 or higher);
- Experience working as a registered forester would be an distinct advantage but not essential;
- Liaise with new and existing clients on all aspect of forest management;
- Develop and maintain planting and thinning portfolios;
- Supervise/organise contractors;
- Strong communication, IT, administrative, reporting and project management skills are essential;
- Ability to plan, prioritise and carry out tasks in an orderly and well-structured way;
- Flexible approach to work;
- Confidentiality, discretion, professionalism.

We are seeking entrepreneurial 'self starters' who enjoy working outdoors. The successful candidate will have excellent interpersonal skills. The candidate will be part of the regional team but must be capable of working on their own initiative in a varied and flexible environment. Excellent pay and bonus structure commensurate with experience will be available.
